

## INSPIRE THE FUTURE OF SCIENCE

### DONATION BENEFICIARIES: LIFE SCIENCE CARES BAY AREA NONPROFIT PARTNERS

#### SPARK BAY AREA

Spark works with Title I schools throughout the Bay Area in neighborhoods that have been most significantly impacted by the gentrification and economic inequity that confronts the Bay Area community. Spark's mission aims to connect students from these schools with passionate employees working at companies right in their backyards to expand understanding and bridge access gaps.

#### Ship to:

SPARK Bay Area  
c/o Michael Rivera  
20 N. San Mateo Dr., Ste 2, San Mateo CA 94401

#### SCIENTIFIC ADVENTURES FOR GIRLS

Scientific Adventures for Girls' (SAfG) mission is to remove systemic barriers to all girls' participation in STEM starting in kindergarten, engage them through hands-on learning, increase their positive attitudes toward STEM, and equip them with 21st century skills. SAfG envisions a more gender equitable society where women pursue and choose careers that provide them more economic freedom and opportunities to advance society.

#### Ship to:

Scientific Adventures for Girls  
c/o Courtenay Carr Heuer  
2600 Tenth Street, Berkeley CA 94710

### STEM EDUCATION KITS

Bay Area nonprofits need the following STEM education kits for students to explore the scientific method through hands-on activities. Listed in order of preference, Life Science Cares will provide complete list of supplies needed.

STEM kit assembly conducted by your volunteers at any off-site location.

Minimum quantities: 700 packages
