

# Life Science Shares

---

A FUTURE-EARNINGS PLEDGE TO HELP REDUCE THE DEVASTATING IMPACT OF POVERTY

**Life Sciences Shares** is a future-earnings pledge that allows companies and individuals to share their success to help **address three fundamental gaps: basic survival, education and opportunity.**

### BASIC NEEDS

Funding programs that address basic needs like food security, safety, health care, and housing.

### EDUCATION

Funding programs that supports education, college preparation, educational enrichment, and programs that support and inspire students of every age.

### ECONOMIC OPPORTUNITY

Funding programs that address job creation, job training, mentoring, and resource development.

# THE DIFFERENCE YOUR PLEDGE CAN MAKE

## Give Back Locally

LSS is an avenue for the life sciences industry to improve the lives of others by giving back to our local communities and sharing our prosperity with those less fortunate

## Combat Poverty

All funds donated through LSS amplify our efforts as a united Life Science community to help break the cycle of poverty in our local communities

## Corporate ESG

For companies, participation with LSS can motivate employees through social conscience initiatives and enhance corporate ESG

## Pre-tax Gifting

For individuals, personal satisfaction of giving to this effort others through pre-tax donations

## NEXT STEPS

---

- 1 Commit to a Life Science Shares Pledge
- 2 Determine how you want to make the gift
- 3 Determine where you would like to direct the gift
- 4 Approve communication and recognition plan with Life Science Cares team

# Thank You
