An Impactful Summer

The work LSC does year-round is making a huge impact in the Greater Boston area. The grants we provide to our 32 nonprofit partners allow their staff to focus fully on doing the very best work in the areas of basic needs (food, shelter, access to medical care), education (STEM instruction, tutoring, college readiness), and economic sustainability (job training and access to opportunities that sustainably break the cycle of poverty). **Thank you for helping us achieve these milestones in summer 2024!**

- Number of volunteers: **1,271**
- Volunteer hours: **2,344**
- Value of donated goods to nonprofit partners: **\$119,477**
- Books collected: **250**

Check out our days of service and giveback opportunities!

- Backpacks packed and distributed: **2,989**
- Number of nonprofit organizations supported: **48**

Plus, we placed **186** student interns at **88** host life science companies through Project Onramp!

Corporate Partner Of the Month

Throughout October, Schrödinger celebrated a month of service at their sites around the world. Here in the Boston area, volunteers helped prepare meals at Community Servings and built fusion, solar, and wind energy STEAM kits with STEAM Ahead. And to round out the month, they donated office furniture to Alexander Twilight Academy and Julie's Family Learning Center. Huge thanks for supporting so many of our nonprofit partners!

Volunteer Opportunities

Give back this holiday season!
From holiday decorating and serving meals to organizing clothing and product drives in

Toy & Gift Card Drive
Our annual Toy & Gift Card Drive kicked off and we need your help to reach our goal of

the office, there are dozens of Holiday Helper volunteer options over the next several weeks. Plus our Toy & Gift Card Drive!

Check out all of the volunteer opportunities and ways to get involved through the end of the year.

1,500 items to distribute to our nonprofit partners this holiday season, including Children's Services of Roxbury, Inc., Julie's Family Learning Program, and West End House. Anyone can help with this!

- ~1 hour per week; 10 weeks per term
- 2:45-3:15pm EST
- All lesson materials/curriculum and training will be led by Saga Education
- No previous high-level math knowledge required!
- Tutors accepted on a rolling basis

* Team up with co-workers and friends and rotate who helps each week! *

Contact anna@lifesciencecares.org to help

Virtual math tutors needed

We need additional tutors for the 2024–2025 school year! Tutors are placed in a team of three to divide and conquer three tutoring sessions per week for 10 weeks to support two students at a time. Volunteers can sign up for 1–3 sessions per week. No advanced math knowledge needed! All training and curriculum will be provided.

For more information, contact [Anna](#) or register below.

DON'T MISS IT

LSC Boston Events

Board of Advisors Reception: October 29
What a great night to celebrate our incredible Board of Advisors and all they do to help LSC Boston! Special thanks to Biogen for hosting in their CoLab space and for Young Man with a Plan for speaking about the importance of supporting the work of our nonprofit partners. We loved seeing so many of our advisors and we're looking forward to connecting with more at our upcoming events this month.

Coming Up:

- November 6: Leadership Circle Dinner at NECAT
- November 20: Board of Advisors Mixer at Nimbus Therapeutics
- April 7, 2025: Impact Breakfast at the Omni Seaport Boston Hotel

If you'd like to join our Board of Advisors, please reach out to [Emily](#) or learn more below.

ABOUT US

VOLUNTEER

PROJECT
ONRAMP

Since 2016, Life Science Cares (LSC) has leveraged the talent, passion, and community investments of the life science industry to fight poverty and provide a platform for the city's leading industry to make a difference in the community. Through partnerships with life science companies and executives, LSC has invested more than \$16 million and tens of thousands of volunteer hours in community-based organizations and programs that provide access to basic needs, education, and economic opportunity. LSC operates in Boston, Philadelphia, San Diego, the San Francisco Bay Area, and New York, as well as in Switzerland. Life Science Cares has earned a four-star overall rating from Charity Navigator, the group's highest rating.
