Annual Sponsorship Opportunities

The life sciences industry exists to solve big problems.
Together, we can address one that science alone cannot.

Through annual sponsorship of Life Science Cares Philadelphia's 2026 Signature Events, companies invest in breaking the cycle of poverty in Philadelphia while gaining year-round visibility, access, and alignment with the region's life sciences community. Each sponsorship level provides a portfolio of benefits that drive measurable impact throughout our region.

THE PARTY In April, Life Science Cares Philadelphia held its Jurassic Impact Reception at The Academy of Natural Sciences. The event gathered leaders from the region's biotechnology, pharmaceutical and life sciences industries to fundraise for Life Science Cares' mission to combat poverty. Throughout the evening, guests enjoyed bites by 12th Street Catering, an interactive ice cream sundae bar from Scoop DeVille and live acoustic music from

Gregg Francis. **THE GUESTS** Among the 250-plus attendees were executives from Jazz Pharmaceuticals, Harmony Biosciences, Jefferson Health and more. **THE PINNACLE** During the event, Life Sciences Cares Philadelphia announced a \$600,000 investment into four Philadelphia nonprofit partners. The funds will support education equity, workforce opportunities and the basic needs of local communities. *BY RACHEL YU*
